

2010 Annual Meeting - November 4-6
Mission Inn Resort & Club, Howey-in-the-Hills

Manufacturer/Distributor Guest Program

In an effort to pair the top cutting edge Manufacturers and Distributors with the very people who specify and purchase their products **UPSA** is pleased to offer the following program.

The Manufacturer/Distributor will purchase two rooms at the Mission Inn arriving Thursday November 4 and departing Saturday November 6 for themselves and a guest. These rooms will be at the advertised price for all attendees and include all the meals and functions for the weekend. In addition to the attendee package the Manufacturer/Distributor will receive an 8' table top space at Thursday night's reception as well as Friday's breakfast and lunch which all will be held at the Expo.

Requirements to participate: Manufacturer/ Distributor must be at least an affiliate **UPSA** member. Affiliate memberships through May 2011 available for \$175.00

This is a wonderful opportunity to meet and network with the people who specify and install your products. Together we will help strengthen **UPSA** and the commercial pool industry.
